RESTRICTIONS

There are a number of restrictions on the Don. Please read carefully the following statements and do not hesitate to contact the Residence Life Coordinator, Associate Dean of Students or Dean of Students to seek clarification or to discuss possible exceptional circumstances.

- (a) A Don is not permitted to hold any residence government or student administrative council position concurrently with the Donship. Dons may not play on any university teams that have a schedule of away games, which would require frequent absence from campus, or a schedule of practices which require frequent absences from the Vic Campus without permission.
- (b) Dons are not permitted to accept other employment (with the exception of Faculty Asst. ships) without obtaining permission in advance.
- (c) Dons must maintain their student status throughout their term of employment, and ensure that any requirements such as Faculty Asst. ships do not conflict with their commitment to the Don position.
- (d) Dons are required to have a cell phone with a voice mail service.
- (e) If hired, candidates are expected to complete a “Vulnerable Sector Screening Program – Police Reference Check” for the Donship position with their local police service after notice of hiring, and submit it to the Dean’s Office.
- (f) All successful applicants must agree to return to Victoria University by mid August 2019 for a mandatory Don Training program. This training program is **NOT OPTIONAL** and all sessions must be attended. Training dates will be finalized upon offer of employment. Also note that there will be very little free time during the first three weeks on campus.
- (g) A Don is required to remain on campus until 24 hours after the end of the Arts and Science exam sessions in December 2019 and in May 2020 and should be prepared to spend at least part of the mid-term break and most long weekends on campus. Also, Dons are required to return to campus two days before the residence re-opens in January 2020 for mandatory training. There will also be a mandatory In-Service Training Day scheduled both semesters. All times away from campus must be discussed with and approved by the RLC.
- (h) Appointment to the Don position is for one academic year. Re-appointment is at the discretion of the Residence Life Coordinator, Assistant Dean, Associate Dean of Students and the Dean of Students and should not be considered routine or automatic.

REMUNERATION

Remuneration for Dons varies slightly depending on the assignment area and responsibilities. Dons are offered a single room and board plan in the dining hall (the value of this compensation is reported as a taxable benefit to Revenue Canada). [Each room is furnished as a combination study/bedroom with a single bed and dresser/desk. Furniture cannot be removed from individual rooms as there is not adequate storage space elsewhere.]

Miscellaneous expenses up to \$7.00/person on the floor per year (September - May) are covered on presentation of receipts as long as receipts are presented by a specified deadline in April.

EVALUATION

The performance of the Dons will be evaluated regularly. This evaluation process will include a self-evaluation, questionnaires to residents, and assessment of performance by the Residence Life Coordinator. When performance is perceived to be below standard, the matter will be discussed immediately and confidentially between the Don(s) and the Residence Life Coordinator and/or the Assistant Dean of Student Life and/or Associate Dean of Students and/or the Dean of Students. Only in extreme cases of dereliction of duty, or of conduct unbecoming a University administrative employee in a position of trust, would a Don be dismissed without warning.
