

VICTORIA UNIVERSITY in the University of Toronto

RESIDENCE AGREEMENT: 2018-2019 Fall-Winter Academic Period

NOTE: This Residence Agreement contains provisions which create obligations for you and impose financial and other responsibilities should you fail to meet your commitment. Please read this Agreement carefully before signing.

This Agreement is made this _____ day of _____ year 2018

BETWEEN: Victoria University, (hereinafter called the "UNIVERSITY") and

_____ (hereinafter called the "STUDENT").

(STUDENT'S NAME – PLEASE PRINT CLEARLY)

#

(9 or 10 DIGIT STUDENT NUMBER – PLEASE PRINT CLEARLY)

The parties agree as follows:

PREMISES: Terms of Occupancy

The terms of occupancy are based on the dates in the Arts and Science Calendar.

Please look carefully at the dates outlined below and compare them with those that apply to your academic period. In some cases, arrangements can be made for early arrival and/or for delayed departure at a cost of \$41.00 per day, (this cost does not include meals). It will not always be possible to accommodate students who request early arrival in their assigned space. Students who request to extend their residence period more than a few days may be relocated within the residence buildings to permit the University to optimize vacancies.

1. The University agrees that the Student may use and occupy the premises, as specified on the Residence Confirmation Form (hereinafter referred to as the "premises"), and to provide meals, (as selected from the available board plan options for which the student is eligible), to the Student for the period outlined in this contract.

*"premises" includes both the individual room and all areas of common use.

First-year students are entitled to occupy their rooms as of 9:00 AM Sunday, September 2, 2018. Returning students are entitled to occupy their rooms as of noon (12:00 PM) Monday, September 3, 2018. Students who do not occupy their room or notify the Dean's Office at vic.dean@utoronto.ca of their late arrival by September 7, 2018 by noon (12:00 PM) will give up their right to occupancy, and the room will be given to another student. The residences are closed at term-end from 10:00 AM on December 22, 2018 to noon (12:00 PM) on January 6, 2019; all students are required to vacate their rooms for the duration of this period and no meal service is provided during this period. Students who operate outside of the Arts & Science Calendar will have to make arrangements with the Residence Coordinator for early check-in or late check-out.

Victoria University serves 19 meals a week: three meals are served on weekdays; brunch and dinner are served on weekends, holidays and during Reading Week (February 18-22, 2019.). Regular meal service begins at dinner on September 3, 2018. The last meal in December is dinner on December 21, 2018, and the first meal back after the winter break is dinner on January 6, 2019. No meal service is provided during the winter break. The last meal in the second term is dinner on April 30, 2019.

FEES

2. The Student agrees to pay to the University the Residence/M meal plan Fees as outlined in the 2018-2019 Fall-Winter Academic Period Residence Fees brochure as applicable to the area of residence and the meal option chosen. Accounts are payable in full by October 15, 2018, or in monthly instalments, the initial instalment of at least half of the residence charge (exclusive of any residence deposit) to be paid by August 15, 2018 with the remaining balance to be paid off in monthly instalments and the account cleared by April 1, 2019. **If not paid in full by October 15, 2018, any outstanding account balance is subject to a monthly service charge of 1.5% per month compounded (19.56% per annum). For charges associated with the 2018-2019 Fall/Winter session, the service charge is first assessed as of October 1 and as of the 15 of every month thereafter until paid in full, including the accounts of students paying in instalments.**

Failure to pay residence/meal plan fees and charges may result in the denial of University privileges including access to transcripts and records of attendance and the opportunity to re-register. The Student must pay all outstanding fees for 2017-2018 before submitting a residence application and deposit for Fall-Winter 2018-2019.

STATUS AND TERMINATION

3. The Student acknowledges and agrees that they are entitled to occupy the premises only so long as they are enrolled as a full-time student in good standing at the University of Toronto. In the event that the Student withdraws from the University, the student will vacate the premises within twenty-four (24) hours of the date upon which the student ceased to hold full-time student status, unless alternate arrangements are approved in writing by the Dean of Students. The conditions outlined in this clause do not obviate the Student's responsibilities under clause 7.

In the circumstance where the Student breaches any of the provisions, rules or regulations contained in, or incorporated as part of this Agreement, the University reserves the right to terminate the Agreement **immediately** upon written notice to the Student.

All residents must maintain a minimum GPA of **2.00** on a full-course load (**3.0 credits or more**) to remain in residence.

CONDUCT

4. No Student is permitted to interfere with the right of any other student to the peaceful enjoyment of their room and common privileges or to endanger the safety and security of any individual through such activities as may be harmful. Every individual is equal in dignity and worth and shall be provided equal rights and opportunities without discrimination or harassment. While recognizing the importance of free inquiry and open discussion of all issues, Victoria University's commitment to developing, maintaining and safeguarding a residence atmosphere free from discriminatory harassment means that words, symbols and/or actions, which make the educational and social environment at Victoria University hostile or insulting or threatening or unwelcoming for a person because of race, gender, religion, colour, creed, disability, sexual orientation, marital status, family status, national origin, ancestry or age, will not be tolerated.

The University accepts its responsibility to promote actively, through educational experiences, the values of tolerance and diversity essential to the free exchange of ideas and a productive learning environment. Further, the University will pursue remedies and apply sanctions as necessary in response to violations of this rule concerning discriminatory harassment.

Any assaultive or violent conduct, physical threats, or intimidation, any deliberate destruction or removal of University property such as vandalism or theft, can result in eviction from residence.

6. The University will not be liable for loss, or damage to, or theft of personal belongings in or about the premises or the residence building. Students are advised to carry adequate personal insurance to cover loss or damage to their belongings. Nor will the University be responsible for any injury,

damage or loss caused to the Student, their guests or invitees while in or about the residence building or the University campus.

RESIDENCE WITHDRAWAL POLICY

7. Students considering living in residence should make themselves aware of the following Victoria University Residence Withdrawal Policy. Applications are accepted and accommodation assigned on the understanding that the student is making a commitment for the full residence session.

THERE ARE SERIOUS FINANCIAL RESPONSIBILITIES ENTAILED IN WITHDRAWING FROM RESIDENCE BEFORE THE END OF THE 2018-2019 FALL-WINTER ACADEMIC SESSION.

Since residence and meal plan fees are set for the entire academic year, from September to May rather than by the week or month, students are accepted to residence on the understanding that they will remain in residence for the full academic session. Before moving into residence, please understand that you are contracting for a specific long-term period, and that operation of the residence and dining hall depends on a stable resident census.

Students who leave residence during session will be held financially responsible as follows:

Residents who withdraw prior to September 2, 2018 will forfeit their \$600.00 residence deposit and \$25.00 residence application fee.

Residents who withdraw on or after September 2, 2018 will be charged room and board from September 2, 2018 to the day of withdrawal, all incidental fees, and a withdrawal penalty calculated as follows: (1) \$1500 for withdrawals from September 2, 2018 until November 30, 2018; (2) After November 30, 2018 responsible for fees in their entirety.

CONDONATION OF BREACH NOT A WAIVER

8. Any excusing, condoning, or overlooking by the University of any default, breach or non-observance by a Student, of any condition or regulation of this Agreement will not operate as a waiver of the University's rights under this Agreement in respect of subsequent defaults, breaches or non-observances of terms of this Agreement.

HEADINGS
