  2. No refund of fees for withdrawals that occur after November 30, 2017.

Electronic Banking
Students are encouraged to pay their fees online.

Invoices
Student invoices will be available on ACORN in August and can be used to make payments at a financial institution. This invoice will indicate tuition and residence fees. Students are then expected to monitor their accounts on ACORN. It is important that you keep your contact information up-to-date. Students are able to access their outstanding fees at any time by logging into their ACORN account.

Payment Deadlines
First payment is due August 15, 2017 (half of the residence/meal plan charged on ACORN). Balance is due January 31, 2018. If your account is not paid in full by April 2, 2017 you will not be permitted to register for courses, or apply to residence for the following session.

Service Charges
All fees and charges posted to your account are payable to the University of Toronto. If not paid in full by October 15, 2017 any outstanding balance on your account is subject to a monthly service charge of 1.5% per month. For charges associated with the 2017-2018 Fall/Winter session, the service charge is first assessed as of October 1, 2017 and then on the 15th of every month thereafter until paid in full, including the accounts of students paying in installments.

Methods of Payment from Outside of Canada
(This option is not available for residence deposits and application fees)
International students studying in Canada are encouraged to set up a Canadian bank account so that fee payments can be made by bank transfer. Most banks can set up Canadian bank accounts after arrival in Canada. Western Union GlobalPay for Students allows students to pay the Canadian dollar payment in the currency of choice at a local bank at a competitive exchange rate and with NO transaction charges from Western Union or the University of Toronto. All payments must be accompanied by the student’s name and student number.
